## TECHNICAL INFORMATION

# Heavy Duty Liquid Degreaser

### Description

Heavy duty multi purpose cleaner for water resistant hard surfaces.

### Features & Benefits

- Removes the heaviest residues of grease, oils, fats and vegetable oils from floors, walls and other work surfaces.
- Can be used to remove heavy build up of solvent based waxes and emulsion based floor polishes.
- Heavy Duty Liquid Degreaser is an optimal blend of non-ionic surfactants, alkalis and sequestrants.
- Effective in all water conditions.
- Economical in use.
- Unperfumed & non-tainting.
- Suitable for use on stainless steel, laminate, tiles, paintwork and other surfaces generally found in kitchens.

### Use Instructions

#### General Cleaning

1. Heavy soiling – dilute 1:25 with water.
2. Light / Medium soiling – dilute 1:100 with water.
3. Spray or mop onto the surface leave for 10 – 30 minutes before rinsing off with clean water.

#### Polish Removal

1. Dilute with 20 parts of warm water, apply using a mop. Take care not to over wet the surface.
2. For best results use a floor scrubbing machine fitted with a black stripping pad, remove polish build up before rinsing with water. Allow the floor to fully dry.

### HAZARD AS SUPPLIED

Causes severe skin burns and eye damage

### HAZARD WHEN USED AT RECOMMENDED DILUTION

Not classified. Wear gloves for prolonged use

## Safe Handling and Storage

- See visual information on page 1.
- Full guidance on the handling and safe use of the product can be obtained from the Safety Data Sheet.
- Store in original container.
- Avoid extremes of temperature.

## Technical Information

Appearance	Orange Liquid
pH (100%)	>10.0
Relative Density	1.07
Odour	Characteristic
Solubility	Fully miscible in water

The above data is typical of normal production and should not be taken as a specification

## Technical Information

Do not use on aluminium or other soft metals.
